Education

Summit Technical Training College Nairobi, Kenya

Diploma in Information Technology *Expected April 2027*

Experience

Freelance Web Developer Nairobi, Kenya

Self-employed *Ongoing*

- Design and build responsive websites for individuals and small businesses, including e-commerce sites with product listings and online ordering.
- Develop with React, Next.js, TypeScript and Tailwind CSS on the front end, and FastAPI with PostgreSQL on the back end.
- Containerize applications with Docker and deploy them to production, with automated builds through CI/CD.
- Work directly with clients to gather requirements, deliver on schedule and maintain sites after launch.
